### **Bathroom layouts that work - fine homebuilding**

Bathroom Layouts that Work A good layout is key to a successful bath remodel. Former Fine Homebuilding editor Scott Gibson explains why in this excerpt from his book,

Visiting a brick and mortar library is no longer necessary if you need a novel to read during your daily commute, a short stories collection for your school essay or a handbook for your next project. It is extremely likely that you currently possess at least one device with a working Internet connection, which means that you have access to numerous online libraries and catalogs. Unfortunately, not all of them are well-organized and sometimes it is pretty hard to find the ebook you need there.
